

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT TACOMA

BETHANY R. NOTTER,

Plaintiff,

v.

MICHAEL J. ASTRUE, Commissioner of  
Social Security,

Defendant.

CASE NO. C06-5558FDB-KLS

ORDER ADOPTING REPORT  
AND RECOMMENDATION

Plaintiff, 33 years old, alleges disability as of November 1, 2001 due to diabetes, asthma, adrenal insufficiency, hydrocephalus, allergies, and depression. The Magistrate Judge submits a Report and Recommendation (R&R) that the Administrative Law Judge's (ALJ) decision be affirmed, and Plaintiff has filed objections with a request to allow a brief over the page limit to be filed.

The Magistrate Judge submitted a detailed, thorough, and well-reasoned report. Plaintiffs objections do not convince this Court that the ALJ erred, or that Magistrate Judge's R&R should not be adopted.

The Court, having reviewed plaintiff's complaint, the Report and Recommendation of Judge Karen L. Strombom, United States Magistrate Judge, and objections to the report and recommendation, and the remaining record, does hereby find and ORDER:

- (1) Plaintiff's "Motion for Order Allowing Filing of Over-Length Objections" [Dkt. # 22] is GRANTED;

- (2) The Court adopts the Report and Recommendation;
- (3) The administrative decision is AFFIRMED; and
- (4) The Clerk is directed to send copies of this Order to plaintiff's counsel, defendant's counsel and Magistrate Judge Karen L. Strombom.

DATED this 29<sup>th</sup> day of August 2007.

FRANKLIN D. BURGESS  
UNITED STATES DISTRICT JUDGE
